The Northshore Area Board of Realtors (NABOR) recently celebrated its annual Board of Directors Installation for 2011. The Board of Directors is the governing authority for the northshore professional association that represents over 600 licensed real estate brokers, agents and affiliates in St. Tammany, Tangipahoa and Washington Parishes.

Realtor associations are dedicated to the protection and preservation of property ownership as a core fundamental value in Louisiana. This member-based organization is committed to upholding ethical real estate standards of practice, professional development, legislative advocacy, consumer outreach and ongoing educational requirements for its agents. These northshore Realtors are also long-known for supporting various community projects including Habitat for Humanity, St. Tammany and Tangipahoa Associations of Retarded Citizens.

Under the National and Louisiana Associations of Realtors, NABOR is the fifth largest local board in the state. The National Association is the largest international professional association with over 1 million members.
