

Girls play house. Women build them.

Women Build

Women Build empowers women to build homes, enabling them to positively impact the lives of families by making homeownership a present reality. It is not about excluding men, it's about including women and encouraging them to take an active role in their community.

Sponsorship Opportunities

The Women Build program seeks to bring in new resources of volunteers and funding to further the home-building mission of Habitat for Humanity St. Tammany West, and we need your help!
